The Gold Rush Is On!

GOLD, the ruler of the world, is today creating more excitement in TRISTATE NEVADA (IN THE HEART OF THE GREAT KATH-ERINE GOLD MINING DISTRICT) than has prevailed in the WEST in a great many years. The town of TRISTATE has been CHRISTENED. Hundreds of people are rushing into this new Gold Camp—buying business and residence sites. The town is open—wide open.

The prospector has blazed the trail. In his tracks follow the OPERATORS—the people—THE GOLD RUSH IS ON. Thousands of dollars will be made—yes, hundreds of thousands of dollars will be made in the great new gold camp. I have never been so enthusiastic over a new gold camp as I am over TRISTATE, NEVADA. I have followed the blaze of the trail to the great OATMAN GOLD CAMP of Arizona—to the great GOLD FI LDS OF NEVADA and various other gold camps. I know the little man makes his money buying real estate—you cannot afford to operate a GOLD MINE—it takes thousands of dollars to do this. YOU can own a lot—a few lots; through the ownership you can REAP the Golden Harvest of DOLLARS.

the business lots. They are offered to the public. They are soid in less time than it takes to tell it. This is your Golden All roads are headed towards TRISTATE. There will be ten ople there, I fully believe, in sixty days.

There is no time for hesitation, is the fastest opportunity that has ever been offered to the public, there you can secure lots in the very heart of the hustness and residen-

TRISTATE

The New Nevada Town in the Great Katherine Gold Mining District

Buy these lois—on my recommendation—that it is the biggest speculative apportunity ever offered. If you are unable to come to my office to see the actual photographs of Tristate and pick out your own lot—leave it to my good judgment to select n tot or lots for you. Believe me, I will make special effort to select the best.

The country needs Gold.—More Gold. All lots are regulation size, twenty-five by hundred feet. Naturally, some are better located than others. Remember that the higher priced lots are the best located lots—but practically all the lots are in close line to the HEART OF THE TOWN.

I am not interested in Curiosliy Seekers and in questions of advantages for business opportunities. The red-blooded man or woman thinks and acts prampily. If you are that Red-Blooded Man or Woman, this message is directed to you. Buy these townsite lats now. Send me your check, money order, each, or draft—I will then have your lot or lots made out and recorded and send you title. The prices range as follows: Resident lots, \$125.00 and \$120.00; business lots, \$200.00 and \$300.00. Corner business lots, \$330.00 and \$400.00.

Prices \$125, \$150, \$200, \$250, \$300 each
